TO: Track Coaches & Bus Drivers
DATE: April 28, 2017
SUBJECT: School Bus/Van Parking at 2017 State Track Meet

As you are very well aware, bus and van parking has been a problem during State Track. I assure you it has also been a gigantic problem for Kelly Walsh students, volunteer workers, as well as track fans.

In hopes of providing a better situation for everyone involved, the following will be done:

1. There will be NO parking of school busses or vans in either lot of Kelly Walsh proper. **VIOLATORS WILL BE TOWED.**
2. We also need the cooperation of the busses to not park on the streets in residential areas. We need as many parking areas for the fans as possible.
3. School bus and van parking will be at the Eastridge Mall in the farthest south portion of the parking lot, just south of the Sears store in the Eastridge Mall. A security guard will be provided. Busses must park on the south side of the cones in this area of the Mall parking area. Do not park in any other area of the Mall parking lot during the hours of the track meet. (A route map will be provided)

Fan and spectator parking will be available at Restoration Church (411 South Walsh Drive). A shuttle bus service will be provided.

4. A bus drop off lane through the Kelly Walsh north parking lot, close to Geldien Stadium will be marked.
5. A shuttle bus will take bus drivers & participants between the Eastridge Mall and Geldien Stadium as needed. Home base for the van will be in the north lot of KW, close to the participant drop off lane. There will be radio communication between the security guard at the Eastridge Mall and the van in order to provide quick transportation for bus drivers when needed. Shuttle bus hours:

Thursday - 10:00 a.m. to completion

Friday - 7:30 a.m. to completion

Saturday - 7:30 a.m. to completion

6. At the conclusion of each day, participant pickup will be in the north lot and new temporary parking lot north of the two KW turf fields. An access road to the lot is on the west side of the fields off of 12th Street. Coaches are asked to please inform their team as to which lot they are going to be picked up in.

Thank you for your cooperation and attention to this matter.
