## **ACTIVITIES UPDATE, 9-16-20**

State Speech

We do have Riverton reserved as a site if we are able to have an in-person meet. Otherwise, they will have a virtual option similar to last year.

### **FFA**

Fall Leadership Conference

Will host the Chapter Presidents Conference (CPC), but not the FIRE conference in November. Will limit numbers.

Fall Events

Other opportunities are available for students to compete in judging contests this Fall but are hosted by third parties/colleges. Looking at limiting the numbers at their events. Just a reminder, we do not sanction or approve individual events. We approve FFA as one of our activities and the schools decide which events they will judge or participate.

State Conference

Still evaluating options. Will be determined later.
