

Navigating the New WHSAA website

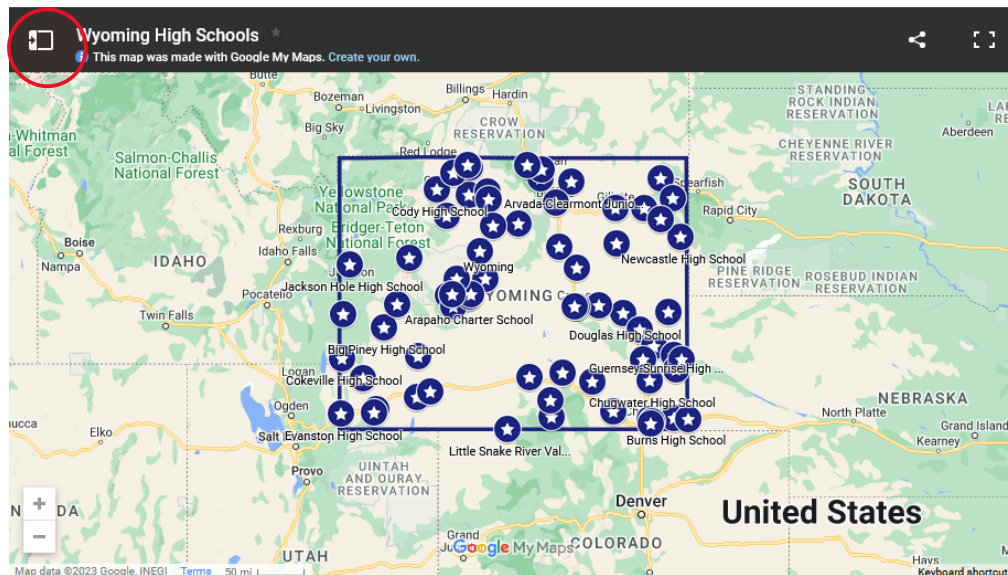

Home Page – Still where the most recent events/news will be available.

Activities – A list of each Activity, with the information for the year (start dates, event dates, State Event dates, etc...)

Sports – Each sport with their information for the year, Scoreboard, Regional Meet link (if applicable), State Culminating Event link

General Links – This is where you will find the Calendar, Forms page, General Links, Handbook, Member School list (Schools), Sports Medicine page

- Schools – if you click on the item in the red circle, a list of schools will come up so you can find the school on the map (each blue star represents a member school). If you click on the individual School in the Member list, it will take you to the School information page and you can access their directory page and website.

Officials – Officials Department will take you to the Officials page, where you can register, check on registered officials, etc...

- Register as an Official will take you directly to the Dragonfly Center for Officials Services

The WHSAA – has the Staff information, the Board of Directors information, The past Board Minutes, and the Background of the WHSAA.

We are still working on the Leadership Program that will take the place of Join the RIDE, and the Archives pages, but should have them up by the end of July.
