High School Home/Virtual School Registration Process

These instructions are for High School (grades 9-12) families only. If you are wanting to register a Junior High Student for Home/Virtual School, please contact your local school district for instructions.

1. Complete the WHSAA Affiliate Home/Virtual School Membership form using the link on the WHSAA website. www.whsaa.org under the Home/Virtual School Tab at the top of the homepage.
2. Make the payment using the payment portal on the WHSAA website under the Home/Virtual School tab at the top of the homepage. (A processing fee has been added on the site). Please make sure to only select one of the membership fees and then select catastrophic insurance for the number of students you are registering for activities.
3. Complete the Combination School Agreement using the link on the WHSAA website under the Home/Virtual School tab at the top of the homepage.

Once the Combination School Agreement has been completed, an automatic email is sent to the host school. Once they approve, you will receive a copy of the Combination School Agreement in an email from the WHSAA.
