

- ❖ The WHSAA announces the rollout of the 307 Coaching Academy. This academy will consist of several professional development clinics for coaches during the 2026-2027 school year.
- ❖ Date: The 2nd clinic will be held on November 19th from 10:00 am - 3:00 pm at the **Highland Park Community Church, 5725 Highland Dr, Casper, WY**. Lunch will be provided.
- ❖ Who should Attend: Coaches from all sports working with student-athletes in grades 6-12 are welcome. This clinic will be free of charge.
- ❖ Purpose of Clinic: **The 307 Coaching Academy** is designed to provide coaches with a deeper understanding of their influence in the lives of young athletes. This clinic will explore how coaches can build strong culture, lead with intentional purpose, and create transformational impact on the student-athletes they coach.
- ❖ Topics for 2nd clinic: Fall debrief and coaches roundtable, adversity and hope, change the question, $E + R = O$, confidence issues, and multiple student activities and applications you can take back home to your schools.
- ❖ Clinician: Don Julian is a longtime Wyoming educator, coach, and former Activities Director at Sheridan High School. A member of the Wyoming Coaches Association Hall of Fame, he is known for developing strong programs built on leadership, character, and service. He now leads Nissi Leadership LLC, working with schools across Wyoming to develop transformational leaders.
- ❖ Why Attend:
 - Gain practical insights into effective coaching leadership
 - Learn strategies to strengthen team culture
 - Collaborate with other coaches facing common coaching dynamics
 - Self improvement opportunity
 - **PTSB recertification credit opportunity**
