

Dear Wyoming Coaches and Sponsors,

On behalf of the Wyoming High School Activities Association, I would like to personally invite you to the November 19th session of the **307 Coaching Academy**.

The 307 Coaching Academy is a new professional development initiative sponsored by the WHSAA. Our goal is to enhance and develop transformational coaching techniques and philosophies across the state of Wyoming. This is the second of four clinics this school year, but if you were unable to attend in August it isn't a problem as all the material is relevant and we are not locked into a particular order of sequence.

Upcoming Sessions in Casper:

- **November 19th** (In-person clinic)
- ***Two additional sessions with remote options will be scheduled for Spring 2027 to ensure maximum participation.***

This is a great opportunity for professional growth and collaboration with coaches and sponsors from throughout Wyoming. Please register by November 13th, so we can plan lunch numbers. This clinic is being held in conjunction with the **307 Way Student Advisory Leadership Summit** to further promote great attendance. Take advantage of this opportunity to **"Plan for Leadership" and "Adjust the Curve."** I hope to see you in August. These clinics are **free to all participants**, and **PTSB credit** will be offered. **Topics include:** Fall Debrief and coaches roundtable, Adversity and Hope, Change the Question, E + R = O, confidence issues, and multiple student activities you can take back home to your schools.

How to Join: Please register on the attached link by November 13th and share the attached informational flyer with any colleagues who may be interested.

We look forward to seeing you in November!

Sincerely,

Don Julian WHSAA
